**RESUBMISSION OF PETITION TO MAKE SPECIAL, REQUEST TO RESCIND  
 PREVIOUS NONPUBLICATION REQUEST AND REQUEST FOR EARLY  
 PUBLICATION ALONG WITH NINE REFERENCES AND SIX PIECES OF  
 LITERATURE**

Sir:

On January 28, 2002, Applicants submitted a Petition to Make Application Special, Request to Rescind Previous Nonpublication Request, Request for early Publication, nine references and six pieces of literature to the attention of Commissioner for Patents. A stamped return receipt postcard was received by the Applicants from the U.S. Patent and Trademark Office (USPTO) with February 11, 2002 as a receipt date stamped on it.

Applicants, however, did not receive any correspondence from the USPTO, indicating that the application was made special and documents submitted on January 28, 2002 were made of record. Consequently, James David Jacobs, Applicants' Attorney who is representing the Applicants in this application before the USPTO, telephoned the USPTO to inquire about status of the application. In that telephone conversation, the Applicants' Attorney was advised to resubmit all documents submitted on January 28, 2002 to the attention of the Director's Office. Accordingly, we resubmit all documents here with, specifically the Petition to Make Application Special, Request to Rescind Previous Nonpublication Request, Request for early Publication, nine references and six pieces of literature.

SIR:

Applicants hereby petition to make the above-identified application special for an invention because of infringement.

(c) that I caused to be made a careful and thorough search of the prior art. I attach one copy of each of the following references that the search uncovered.
